**1. translational Science meeting  
Immunotherapy- angiogenesis  
urology- oncology**

**20.10.-21.10.2017 - Hotel Innsbruck  
Innsbruck (Austria)**

MEDIZINISCHE UNIVERSITÄT  
INNSBRUCK  
UNIVERSITÄTSKLINIKEN  
**INNERE MEDIZIN**  
Hämatologie und Onkologie

**UROLOGIE**  
Universitätsklinik Innsbruck

## Freitag 20. Oktober 2017

**14:00-15:00** Registrierung

**15:00-15:15** Grußworte durch die Klinikvorstände  
G. Gastl, W. Horninger

### **Topic: Immunology**

Chair: A. Pircher, Z. Culig

**15:15-15:45** Basic concepts of oncoimmunology  
M. Thurnher, Innsbruck

**15: 45-16:15** Computing and probing cancer immunity  
Z. Trajanoski, Innsbruck

**16:15-16:45** New treatment concepts in uro-oncology 2017  
T. Bauernhofer, Graz

**16:45-17:15** Pause und Besuch der Industrierausstellung

**17:15-17:45** Molecular subtyping for treatment stratification  
in bladder cancer-fiction or fact?  
R. Pichler, Innsbruck

**17:45-18:15** Next generation immunoncology - are we ready?  
D. Wolf, Bonn

**18:15-18:45** Dissecting the tumor microenvironment by single  
cell technologies  
B. Thienpont, Leuven

**ab 19:00** Gemeinsames Abendessen

## Samstag 21. Oktober 2017

### **Topic: Angiogenesis**

Chair: E. Gunsilius, H. Klocker

**09:00- 09:30** Anti-angiogenesis-update anno 2017  
W. Hilbe, Wien

**10:00-10:30** Tumor endothelial cells - the real target for  
anti-angiogenic strategies?  
A. Pircher, Leuven/Innsbruck

**09:30-10:00** Immunooncology meets anti-angiogenesis -  
combined strategies and new avenues  
I. Heidegger-Pircher, Innsbruck

**10:30-11:00** Pause und Besuch der Industrierausstellung

### **Topic: TKIs and ICB in clinical use**

Chair: W. Hilbe, H. Steiner

**11:00-11:30** Management of side effects of immune checkpoint  
blockade in daily routine  
G. Weinlich, Innsbruck

**11:30-12:00** Is our standard imaging still state of the art?  
M. Kammerer, Innsbruck

**12:00-12:30** New treatment concepts in prostate cancer - is there a  
role for immunotherapy and anti-angiogenic concepts?  
A. Heidenreich, Köln

**12:30-13:00** Look in 2018: promising angiogenesis &  
immunooncology trials (Bladder cancer and RCC)  
W. Loidl, Linz

**13:00-13:30** Flying lunch und Besuch der Industrierausstellung

### **Topic: Young investigators**

Chair: R. Pichler, I. Heidegger-Pircher

**13:30-14:30** Presentation of best abstracts, award ceremony

**14:30-14:45** Summary - hot topics of the meeting G. Gastl, Innsbruck

**14:45-15:00** Verabschiedung
